

Dear Parents

We are in the process of setting up a Sugar Tots website.

Photos are often taken of your children while they are at school, participating in various activities. We would then like to post these photos onto the website. Before we can do this, we need a parent or legal guardian to give their consent.

If you are happy with us using photos of your child on our website, please fill in the reply slip below.

Consent form - Sugar Tots Website

I, _____, parent / legal guardian of _____ hereby give permission to Sugar Tots to use photos of my child/children on the Sugar Tots website.
